

Disclosure obligation when producing anonymously processed information and providing it to a third party

JIEM has produced anonymously processed information for research and development purpose and improvement of our services. JIEM will also constantly produce anonymously processed information.

Before providing anonymously processed information to a third party by the following provision method, JIEM will state to the third party explicitly to the effect that the provided information is anonymously processed information. JIEM will also constantly provide anonymously processed information to a third party.

1. The categories of information relating to an individual contained in anonymously processed information

- (1) Sex
- (2) Age
- (3) Job
- (4) Job type
- (5) Answers to multiple-choice questions
- (6) Answers to essay questions
- (7) CASEC Total Score
- (8) CASEC Section Score
- (9) Written answers to ASEC-G (CASEC-Grammar)
- (10) Written answers to CASEC-GTS (CASEC-G Tutoring System)

2 Method to provide anonymously processed information

JIEM provides anonymously processed information by encrypting the information to be transmitted and uploading the encrypted data to a server administered by a receiving party, or sending the receiving party an external record medium which contains the encrypted data.
